

Craft Badge

Introduction:

Craft is the simplified name for “Art and Craft”. It refers to the process of labour turning raw materials or semi-finished works into finished works through value-added processing or treatment by production tools. It also refers to daily necessities, ornaments which contain aesthetic factor and have undergone arts processes in external format. This badge aims at cultivating our Brigaders’ minds and unleash their potential in studying specialized technique.

Course Outline

Brigaders must **take part in the related activity continuously.**
